EDUCATION

**Private technology school "Svijet"**

September 2017 - May 2021

I have been going to the private programming school in Croatia capitol Zagreb. In the four years of the education I learned programming languages like HTML, CSS, JavaScript. I have also learned ui/ux designing of the mobile and web applications in the AdobeXD and Figma.

You can see all my previous work on the portfolio website at [melicajlan.netlify.app](https://melicajlan.netlify.app)

SKILLS

HTML

CSS

JavaScript

Front-end developing

UI

UX

AdobeXD

Figma
